

# SIMPLIFIED SMALL BUSINESS LENDING

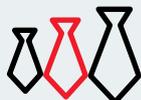

## *for Accounting and Legal Service businesses*

We're now offering Accountant and Legal Service businesses a simplified business loan of up to \$1 million without the need for bricks and mortar security or mandatory covenants\*. To be eligible, these businesses must meet the following criteria:

- Three partners or less
- Operated profitability for three or more years
- Partners with three or more years industry experience and professional accreditation^

### We're here to help

Your dedicated Small Business BDM is here to support you in finding the best product and services for your customers. They can help you:

Ensure the solutions meet your customers' residential and small business needs.

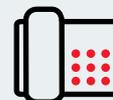

Stay up-to-date on all credit decisions, documents and settlements for your customers.

Access to industry specialised bankers.

Structure lending to suit the cash flow needs of your customers.

Access key specialists across NAB to explain products and services

### Online lodgement capability

We understand relationships are key to the success of your business so we've enhanced the application process by making lodging a small business loan simpler, giving you back time to spend with your customers.
